MEMORANDUM FOR: Requirements and Technology  
Acquisition Working Group

FROM : [REDACTED] Chairman

SUBJECT : Draft Preliminary Working Group Report

1. Attached is a draft of our preliminary report to the ISB. Note that it is a joint report. Please review the report with an eye to (1) its overall structure, and (2) the requirements and technology acquisition portions. By all means read the whole thing, but focus on the present process, deficiencies, and alternatives. [REDACTED]

2. Please give me any comments by COB on 28 November. [REDACTED]
